

DATA PROTECTION

Responsible in the sense of the data protection laws, in particular the EU data protection basic regulation (GDPR), is: PRO-TRONICS, Société à Responsabilité Limitée (SARL).

Your rights

You can always exercise the following rights under the contact details of our data protection officer:

Information about your stored data and their processing,
Correction of incorrect personal data,
Deletion of your stored data,
Restriction of data processing, if we are not yet allowed to delete your data due to legal obligations,
Objection to the processing of your data by us and
Data portability, if you have consented to the data processing or have concluded a contract with us.
If you have given us your consent, you can withdraw it at any time with effect for the future.

You can always contact the supervisory authority responsible for you with a complaint. Your competent supervisory authority will depend on the state of your domicile, work or alleged violation.

Purposes of data processing by the responsible body and third parties

We process your personal data only for the purposes stated in this privacy policy. A transfer of your personal data to third parties for purposes other than those mentioned does not take place. We only share your personal information with third parties if:

You have given your express consent to
the processing is required to execute a contract with you,
the processing is necessary to fulfill a legal obligation,
processing is necessary to protect legitimate interests and there is no reason to believe that you have an overriding legitimate interest in not disclosing your information.

Deletion or blocking of data

We adhere to the principles of data avoidance and data economy. Therefore, we only store your personal data for as long as is necessary to achieve the purposes mentioned here or as provided for by the various storage periods provided for by law. After discontinuation of the respective purpose or expiration of these deadlines, the corresponding data will be routinely and in accordance with the statutory provisions blocked or deleted.

Collecting general information when visiting our website

When you access our website, a cookie automatically records information of a general nature. This information (server log files) includes, for example, the type of web browser, the operating system used, the domain name of your Internet service provider and the like. This is only information that does not allow conclusions about your person.

This information is technically necessary to correctly deliver the contents of web pages requested by you and is mandatory when using the internet. They are processed in particular for the following purposes:

Ensuring a hassle-free connection of the website,
Ensuring a smooth use of our website,
Evaluation of system security and stability as well
for further administrative purposes.

The processing of your personal data is based on our legitimate interest for the aforementioned purposes of data collection. We do not use your information to draw conclusions about you. The recipient of the data is only the responsible body and possibly the processor.

Anonymous information of this kind may be statistically evaluated by us to optimize our website and the underlying technology.

Cookies

Like many other websites, we also use so-called "cookies". Cookies are small text files that are transferred from a website server to your hard drive. This automatically gives us certain data, such as IP address, browser used, operating system and your connection to the Internet.

Cookies can not be used to launch programs or to transfer viruses to a computer. Based on the information contained in cookies, we can facilitate navigation and enable the correct display of our websites.

In no case will the data collected by us be passed on to third parties or a link with personal data will be established without your consent.

Of course, you can also view our website without cookies. Internet browsers are regularly set to accept cookies. In general, you can disable the use of cookies at any time through the settings of your browser. Please use the help features of your internet browser to find out how to change these settings. Please note that some features of our website may not work if you have disabled the use of cookies.

SSL encryption

To protect the security of your data during transmission, we use state-of-the-art encryption techniques (such as SSL) over HTTPS.

contact form

If you have questions of any kind contact us by e-mail or contact form, give us your consent for the purpose of establishing contact. This requires the specification of a valid e-mail address. This serves for the assignment of the request and the subsequent answering of the same. The specification of further data is optional. The information you provide will be stored for the purpose of processing the request and for possible follow-up questions. After completing the request you will automatically delete personal data.

Use of Google Analytics

This website uses Google Analytics, a web analytics service provided by Google Inc. (following: Google). Google Analytics uses so-called "cookies", ie text files that are stored on your computer and that allow an analysis of the use of the website by you. The information generated by the cookie about your use of this website is usually transmitted to a Google server in the USA and stored there. However, due to the activation of IP anonymization on these websites, your IP address will be shortened beforehand by Google within member states of the European Union or in other contracting states of the Agreement on the European Economic Area. Only in exceptional cases will the full IP address be sent to a Google server in the US and shortened there. On behalf of the operator of this website, Google will use this information to evaluate your use of the website, to compile reports on website activity and to provide other services related to website activity and internet usage to the website operator. The IP address provided by Google Analytics as part of Google Analytics will not be merged with other Google data.

The purposes of the data processing are the evaluation of the use of the website and the compilation of reports on activities on the website. Based on the use of the website and the Internet, other related services will be provided. The processing is based on the legitimate interest of the website operator.

You can prevent the storage of cookies by a corresponding setting of your browser software; however, please note that if you do this, you may not be able to use all the features of this website to the fullest extent possible. In addition, you may prevent the collection by Google of the data generated by the cookie and related to your use of the website (including your IP address) as well as the processing of this data by Google by downloading the browser plug-in available under the following link and install: Browser Add On to disable Google Analytics.

In addition or as an alternative to the browser add-on, you can prevent tracking by Google Analytics on our pages by clicking this link. An opt-out cookie will be installed on your device. This will prevent the collection by Google Analytics for this website and for this browser in the future, as long as the cookie remains installed in your browser.

If you do not want to participate in the tracking, you can refuse the required setting of a cookie - for example via a browser setting that generally disables the automatic setting of cookies or sets your browser to block cookies from the domain "googleleadservices.com".

Please note that you can not delete the opt-out cookies as long as you do not want to record measurement data. If you have deleted all your cookies in the browser, you must set the respective opt-out cookie again.

Change of our privacy policy

We reserve the right to amend this privacy policy to always comply with the latest legal requirements or to implement changes to our services in the privacy policy, e.g. when introducing new services. Your new visit will be subject to the new privacy policy.

Questions to the data protection officer

If you have any questions about privacy, please email us or contact the person responsible for privacy in our organization: Managing director.
